

# ALL ROADS LEAD TO REVENUE WITH **SYMANTEC SMART SECURITY**

## Sales Opportunity: Endpoint Protection Upgrades

Microsoft is changing the game for your customers, and we're here with solutions that address the security gaps those changes are causing. Now is the time to present your customers with easy-to-deploy upgrades that deliver high-ROI protections. We're talking complete endpoint protection and advanced email security. We call it **Symantec SMART Security**.

### Symantec SMART Security upgrade components:

Symantec Endpoint Security Complete (SESC) + Symantec Email Security.cloud (ESS)

## 3 SCENARIOS. 3 UPGRADE OPPORTUNITIES. 3 WAYS TO MAKE MONEY.

## SYMANTEC SMART SECURITY
