Combining Offers

National HP Offers

- Eligible Partners must choose between HP special pricing and the rebate available under this promotion. HP reserves the right to deny claims on sales for which any special pricing has previously been paid. HP Promotion rebates cannot be combined (or “stacked”) with rebates offered by any other HP program, promotional rebates, reseller offers, Special Negotiated Discounts, or rebates based on sell-through or sales-out data, unless specifically documented in writing and with HP executive approval.

Payment

- Upon approval of a claim by HP, payment will be credited to the eligible partner within 30 days. HP’s systems are the systems of record for the promotion. The final decision to allow or refuse any or all portions of a claim rests solely with HP. HP may require repayment of amounts overpaid by HP in reliance on inaccurate data.
- Denied claims may be resubmitted within 30 calendar days of receipt of denial reconciliation statement, with appropriate new supporting information and following the ‘submitting claims’ details described above.
- Eligible Partners are expected to notify HP of any discrepancies within thirty (30) days of receipt of payment. HP will not research or consider payment on any promotional discrepancies after the thirty (30) day timeframe.

Terms and Conditions

- Offer is valid only during promotional period for authorized SKUs.
- Eligible product shipped before or after the specified promotional period is not eligible to receive the promotional pricing.
- Any participating partner must:
 - o have HP Partner Agreement and be an HP Qualified Print and Supplies Partner in good standing, and,
 - o comply with all HP Policies, including all applicable HP Channel Policies
- HP may modify or withdraw this promotion at any time.
- HP will only pay claims for products sold by HP to first tier partners. No direct payments will be made on products purchased through distribution.
- Claims will not be paid until actual performance is verified through adequate POP documentation.
- Partner must pass on the full amount of the promotional discount to the end user Customer; however, adding \$0.99 to the discount price is permitted.
- HP may deny payment of any promotional funds if a partner has not complied with the terms and conditions of this promotion

program, or any other HP agreement or policies.

Submitting Claims

- Eligible partners must submit invoice detail to HP through EDI 867 or SPAR to be eligible for this promotion. Claims should be submitted under the provided 8-digit Promotion number, must reference eligible product, and include the serial number of required products.
- Rebate claims must be submitted within 60 calendar days of shipping the eligible product(s). HP may deny payment on late, missing, misdirected, incomplete or inaccurate data, irrespective of cause.
- For orders placed during the promotional timeframe and shipped after the expiration of the promotion, HP will grant a 14-calendar day grace period for partners. Any shipments made after the 14-day grace period will be rejected. No exceptions will be granted.
- Returns are specifically excluded from this promotion. Standard returns terms and conditions apply for this promotion.
- HP assumes no obligation or liability whatsoever for rebate payments on late, missing, misdirected, incomplete or inaccurate data, irrespective of cause.

Other

Participating Eligible Partners shall not be allowed to issue any debit memo deductions, as per the terms in its partner agreement, but will wait for HP to complete the claim to provide a credit or a rejection notice.

As validation for claims submitted, HP may request copies of invoices, or other proof of purchase and sale of the Eligible Products, including invoice date, invoice price and the serial number of the Eligible Products sold. Failure to obtain and submit such invoices in due time and manner to HP will result in a denial of the associated rebate claim. HP reserves the right to inspect or audit participating Eligible Partner's records to verify the accuracy of the Promotion rebate credit claimed or paid. HP may require audits to ensure that payments are used as indicated in the Promotion guidelines.

In the event the terms and conditions of this Promotional Program ("Promotion") conflict with terms and conditions of the US Partner Agreement (collectively "Agreement"), the terms and conditions of the Agreement shall prevail for purposes of this Promotion only. The Program and Agreement supersede and replace any additional or different terms contained in either the retailer invoicing system, online or electronic tools or other document issued by either party. Any such additional or different terms will not apply.
