

Tripp Lite series connectivity and peripheral solutions now discounted 20%*

Connect with this deal and increase your margins!

Starting May 1, 2024, all deals registered for Tripp Lite series connectivity and peripheral categories will receive a 20% discount, instead of the standard 7%. So you can continue offering your customers even more competitive pricing on a wide range of connectivity and peripheral solutions which include cables, power strips, display solutions, power cords and more!

CONNECTIONS
REALLY TURN ME
ON. LITERALLY.

| Product family | Discount |
|---------------------------------------|----------|
| Tripp Lite series connectivity | |
| KVMs | 20% |
| Fiber | 20% |
| Copper | 20% |
| Cabling | 20% |
| Tripp Lite series peripherals | |
| Surge/power strips | 20% |
| Mounts | 20% |
| Carts and chargers | 20% |

Boost your sales and increase your margins.

Register your deals in the Connectivity and Peripheral category today at poweradvantage.eaton.com and start reaping the benefits of this enhanced discount.

Promotion runs through December 31, 2024 and can be terminated at Eaton's discretion at any time.

* Bulk cables in Networking Copper Product family are excluded from deal registration.

Please contact your sales manager with any questions.
