

Improve your liquidity through a 60-day interest-free financing* program, sponsored by Eaton.®

For value-added resellers in the technology industry, Wells Fargo offers channel financing programs to support your company's growth and success. Our programs are designed to support both small and mid-sized businesses, as well as large solution providers.

Eligible products

Eaton and Wells Fargo are happy to provide Eaton selected PowerAdvantage Partners an extension on our current financing program. Terms for Eaton and Wells Fargo approved resellers through authorized distributors is being extended up to 60 days interest free through 12/31/2025.

How the program works

It's simple: For existing approved customers already enrolled with us, place your next order with an Eaton approved distributor and bill your Wells Fargo credit facility. For customers not currently enrolled with us, simply contact us today to begin the process.

Benefits of the program

Our channel finance capabilities feature extended net terms, working capital options, and purchase order financing (short-term accounts receivable financing), all of which may help your business grow.

Through our proprietary online portal, you can efficiently handle order management and invoice processing, access customized reports, and monitor your account data 24/7.

Additionally, our program may help you:

- Improve liquidity and purchasing power
- Increase cash flow and working capital
- Increase profit potential
- Consolidate vendor payables
- Automate invoice delivery
